

Dictation

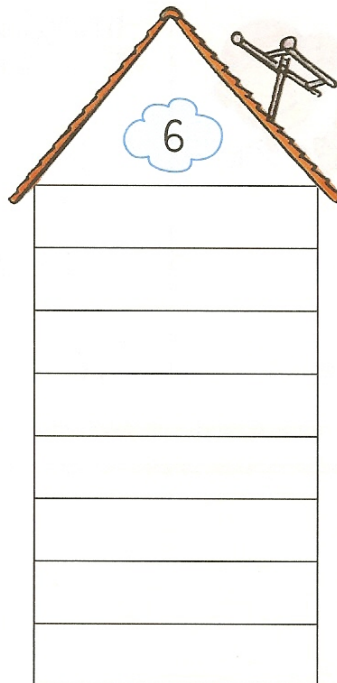

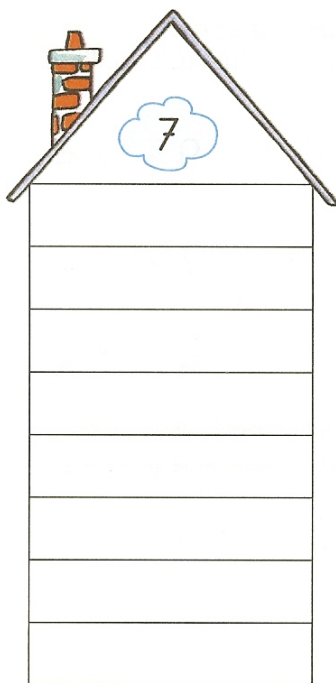

A

Colour the chicks whenever the sum equals 7. Cross out the other chicks.

B

Copy down in the 'house of 7' the sums that you have just coloured and write down as many equations as possible for 7 and then for 6.

C

Calculate
Mind the symbols +

$7 - 1 = \dots\dots\dots$

$9 - 2 = \dots\dots\dots$

$10 - 1 = \dots\dots\dots$

$9 - 4 = \dots\dots\dots$

$5 + 3 = \dots\dots\dots$

$2 + 4 = \dots\dots\dots$

$7 + 3 = \dots\dots\dots$

$1 + 9 = \dots\dots\dots$

$3 + 6 = \dots\dots\dots$

D

Complete the number line on the following page.
